To see if the Council approves the applications for special permit for catering privileges off premises for the American Legion Post #150 for a beer tent at the Legion and at NAPA on June 4, 2016, Community Day. We met this way because of time constraints. Community Day is June 4th and the Council meets on June 6th.

It was asked who would be manning the beer tent. They were told it would be a bartender of the American Legion Post #150 that would be manning the beer tent.

Council approved the application for special permit for catering privileges off premises for the American Legion Post #150 for a beer tent at the Legion and at NAPA on June 4th, Community Day.

So voted. Vote was unanimous.

Respectfully submitted,

Shirley A. Marquis, Town Clerk
